

NO LESS THAN LEGENDARY

THE ALL-NEW TOYOTA LAND CRUISER

LEGENDARY THROUGH AND THROUGH

Known for its quality, durability and reliability, the Land Cruiser has made its mark as the indestructible vehicle around the world.

No matter the terrain. No matter the distance. No matter the obstacle. For 70 years, the Land Cruiser has been successfully balancing innovation and tradition. Keeping all the features you've come to love and adding more to stay on top of the ever-changing times.

To continue to cater to - and even exceed - customer expectations, development of the Land Cruiser will take place on the premise that it will be used in every corner of the world. To this end, Toyota intends to set even more rigorous standards and to continue to engage in car-making with the goal of creating a truly unique car.

We aim to help you live life how it's meant to be lived - boldly and no less than legendary.

NO LESS THAN POWERFUL

The ultimate expression of luxury and capability, the Land Cruiser is ready to make an impression wherever you go. Sleeker and sturdier than ever, it is the perfect blend of strength and sophistication.

EMV & NAVIGATION SYSTEM

NO LESS THAN RELIABLE

The Land Cruiser's unbeatable spirit means it's been part of thousands of success stories over the last 70 years. Staying true to our heritage of providing safe and secure performance, the Land Cruiser introduces advances in safety to give you and the people who matter to you the protection you deserve.

NO LESS THAN AT EASE

Peace of mind comes standard. Your safety is at the forefront of everything we do that's why every Land Cruiser variant gets Toyota Safety Sense, a suite of intelligent safety features designed to keep you and your loved ones safe. With seven decades of know-how, the Land Cruiser is more than ready to raise the bar on every adventure.

Pre-collision system

Activates instantly to give you a visual and audible warning when the car in front of you suddenly stops, while arming your brakes in advance, to enable you to stop the car quickly and efficiently.

Automatic High Beam (AHB)

High Beam headlights light your way, but they can be a dangerous distraction to other drivers. Enter Automatic High Beam, it reduces the need to manage your headlights manually.

Adaptive High Beam System (AHS) (ZX Exclusive)

The Adaptive High Beam System enhances nighttime visibility and suppresses glaring other drivers. The AHS detects oncoming and preceding vehicles and distributes light rays only where they are needed. It also utilizes the high beam to the maximum, thus contributing to enhancing nighttime visibility.

Lane tracing assist

Working in tandem with Dynamic Radar Cruise Control, this innovative feature employs a forward-facing camera to monitor lane markings and driving direction to keep you in the center of your lane.

Dynamic radar cruise control

This high-tech cruise control uses a radar behind the Toyota badge plus a camera on the windshield designed to adjust your speed, helping you maintain a preset distance from the car in front of you.

Toyota Safety Sense (TSS) is your indispensable virtual safety margin that intelligently aids your driving right at the most crucial moments. Utilizing the latest in active-safety technology, it keeps you and your passengers safe and sound, and away from harm. DISCLAIMER: The driver should understand descriptions mentioned in owner's manual and should not rely on the system and strive for safe driving.

Vehicle featured is the Land Cruiser VX Variant
